

We have waited a long time to be able to listen to K-Love on a local translator. Similar to Moody Broadcasting in other parts of Alaska. It is very important to us to be able to hear K-Love and Moody as well as Calvary Chapel stations. If any of these were displaced by LPFM it would be very detrimental to the public. They serve a very important function in ours and many communities across the country. Wholesome and encouraging programming is hard to come by. Please use some age old wisdom "If it's not broke, then don't fix it." We do NOT want to worry about K-Love being replaced by some LPFM programming. Thank you.
